Foiled Again

Taught by Jennifer Ferguson of Artistic Painting Studio

Course Overview:

Project One:

1. Apply base coat of Dark Chocolate Milk Paint.
2. Load the foam brush with ArtsyVille Embellishments Foil Adhesive.
3. Attach Anastasia pattern roller to the handle and roll the design onto the surface.
4. Allow the Foil Adhesive to dry to a firm tack (approx. 30min.–1 hr.); in class we will have 15 minutes.
5. Transfer the Rose Gold Foil to the surface – foil will only transfer to the adhesive.
6. Glaze surface with Van Dyke Brown Glaze Effects to seal the Foil Adhesive and age the finish.

Project Two:

1. Apply base coat Key West Blue Chalk Style Paint.
2. Apply ArtsyVille Embellishments Foil Adhesive to the entire surface.
3. Allow the Foil Adhesive to dry to a firm tack (approx. 30min.–1 hr.); in class we will have 15 minutes.
4. Transfer Seafoam Foil over the Foil Adhesive.
5. Brush on a heavy coat of Chapin Gray Chalk Style Paint and, while it's wet, roll the Chrysanthemum pattern roller through the wet paint.
6. Allow to dry.
7. Wet sand with cheesecloth to distress the finish.
