## **Create a Dramatic Color Wash Using Color Theory** Taught by Julie McDowell of Dandelions and Poppies

### **Course Overview:**

1. Introduction to the color wheel and overview of color mixing.
2. Choose your color palette, add colors to mixing plate and dilute with water as needed.
3. Apply to substrate using a crosshatch technique.
4. Add paints to brush, blending randomly until desired effect is reached.

### **Materials:**

- Green Palette: GF Coastal Blue Milk Paint, GF Lime Green Milk Paint, GF Bone White Chalk Style Paint
- Purple Palette: GF Rembrandt Red Chalk Style Paint, GF Coastal Blue Milk Paint, GF Bone White Chalk Style Paint
- Chip brush
